MAY 02 2001

Honorable William A. Mundell - Chairman
Arizona Corporation Commission
1200 West Washington Street
Phoenix, Arizona 85007

Dear Chairman Mundell:

The attached Exchange and Network Services Tariff page is being filed pursuant to Decision No. 63487 and Section 2(c) of the Price Cap Plan. This change increases the discount associated with wire maintenance service for customers who are participants of the Residence Low Income Telephone Assistance Program, thereby lowering the amount they pay for this service.

This page has been prepared with an effective date of May 3, 2001. Please contact either me, or Reed Peterson on 602-630-8221, if you have any questions concerning this filing.

Sincerely,

MAUREEN ARNOLD

[1] The monthly credits specified above reflect the applicable credits per A.R.S. 46.703 for service for the Low-Income Telephone Assistance Program (LITAP) and reflect the 17% discount. Low-income customers who qualify under LITAP will receive the federal baseline support amount of \$4.35 plus the additional \$1.75 in federal Lifeline support. LITAP customers are also eligible to receive matching federal Lifeline support in an amount equal to one-half of the amount of the state support. For example, if the 17% discount in local service charges contributed by the state equaled \$2.00, the matching federal Lifeline support amount would equal \$1.00. Under this example, a total of \$7.10 in federal Lifeline support would be available to LITAP customers. State support under A.R.S. 46.703 would be in addition to this amount.
